General Instructions:

16. The expenditure refers to the estimated expenditure provided in the BE for spending current year on routine financing of the Government. The items which are said to be committed expenditure are Salary, Pensions, Subsidies, Interest Payment, Non-Salary items, Utility payments, Maintenance, Repayment of borrowings, etc.

17. Experience shows that every year many Departments are furnishing the estimates in a routine manner without examining the need for the continuation of the scheme and justification for the provisions claimed by the Departments. Expenditure management policies and strategies should normally ensure that every rupee budgeted is well spent in such a way that it captures efficiency in expenditure, provides incentives

to rationalize expenditure and is driven by need rather than by the spirit of incremental increase in allocation with regard to programme year on year. The total expenditure irrespective of revenue or capital must generate value for the public.

18. All the Heads of Departments and Other Estimating Officers are requested to review the existing committed expenditure very critically, so that those expenditure which do not serve any tangible purpose substantially shall be dropped or phased out or reduced.

(i) The provisions for Dearness Allowance, Leave Travel Concession, House Rent Allowances, Encashment of Earned Leave, Medical Reimbursement etc., shall be included under respective sub-detailed heads under "O10-Salaries".

(ii) The estimates for contingent expenditure shown under "Office Expenses" should be prepared with reference to the instructions laid down in para 13.16 of the Budget Manual. Details of the items of expenditure included, detailed reasons. Proper attention must be paid while estimating water and electricity charges, revise which should take into account of pending arrear bills, the increase in tariff rate etc. , and provision for the amounts that will become payable in the year. Wherever arrears are included, detailed reasons together with figures shall be furnished in the explanatory note.

19. The attention of Estimating Officers is invited to the following special points:

The Administrative Departments of Secretariat shall forward the estimates with their comments to the Finance Department by 09/01/2020 at the latest. Experiences have shown that in-spite of clear instructions, the Budget proposals in most of the cases are sent very late. Steps should, therefore, be taken to ensure that the dates prescribed above are strictly adhered to. If estimates are received after 10/01/2020, Finance Department will not be able to intimate any changes made in the estimates of Departments as there will not be sufficient time for considering representations against changes effected by this Department.
- (ii) **Accuracy and authority for estimates:** It will be the responsibility of the Heads of Departments and Other Estimating Officers to see that no omissions or deviations are made in making provisions for any sanctioned scheme or any other item of expenditure covered by sanction of the competent authority for which provision sought to have been made in Part-I of the Budget Estimates (sanctioned item). **Similarly no provision**

should be made in Part - I of the Estimates, for any item of expenditure for which no sanction of Government exists. Provision should be made in the Budget Estimates for the coming year for all sanctioned schemes but not for schemes of new service, which have been submitted to Government but not yet sanctioned. It has, however, been observed that the above procedure is not being followed by some Heads of Departments, who have been including provisions in the Budget Estimates for schemes which have not been sanctioned by Government. Departments have also been requested not to propose heavy increases in the existing provisions in the normal budget estimates without obtaining prior sanction of the Government. The Heads of Departments and Other Estimating Officers are requested to observe the instructions in para 13.9 of the Budget Manual scrupulously while submitting the Revised Estimates 2019-20 and Budget Estimates 2019-20.
